

How to Remove DRM from ePUB & PDF on Adobe Digital Editions ?

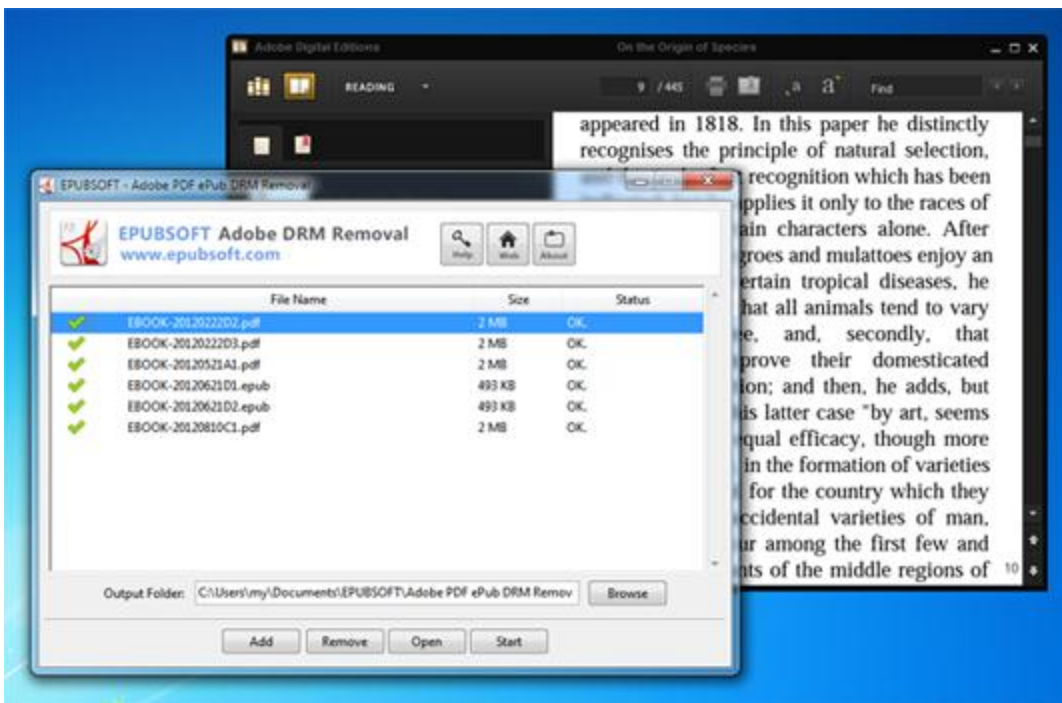

Adobe Digital Editions is an ebook reader software from Adobe Systems. It is used for purchasing, managing and reading eBooks, digital newspapers and other digital publications. Adobe Digital Editions includes a setup assistant to authorize your computer (DRM), so the ebooks cannot be copied to a new computer or other devices. This article will introduce you to how to solve this problem as below.

Epubsoft Adobe PDF EPUB DRM Removal is a powerful software to remove DRM protections from adobe digital editions (ADE) with 1-click. It creates a new e-book file without DRM limitation.

1. First, download and install Adobe Digital Editions (ADE) ([download here](#))
After you installed Adobe Digital Editions, you can try to open ebook in your computer ,If these e-books can be read normally, then they will be able to be converted.

2. Download and install Epubsoft Adobe PDF ePub DRM Removal.
([download for Windows](#)) ([download for Mac](#))

3. If your ebook is .ACSM file, open ACSM file in Adobe Digital Editions to redownload your ebooks.

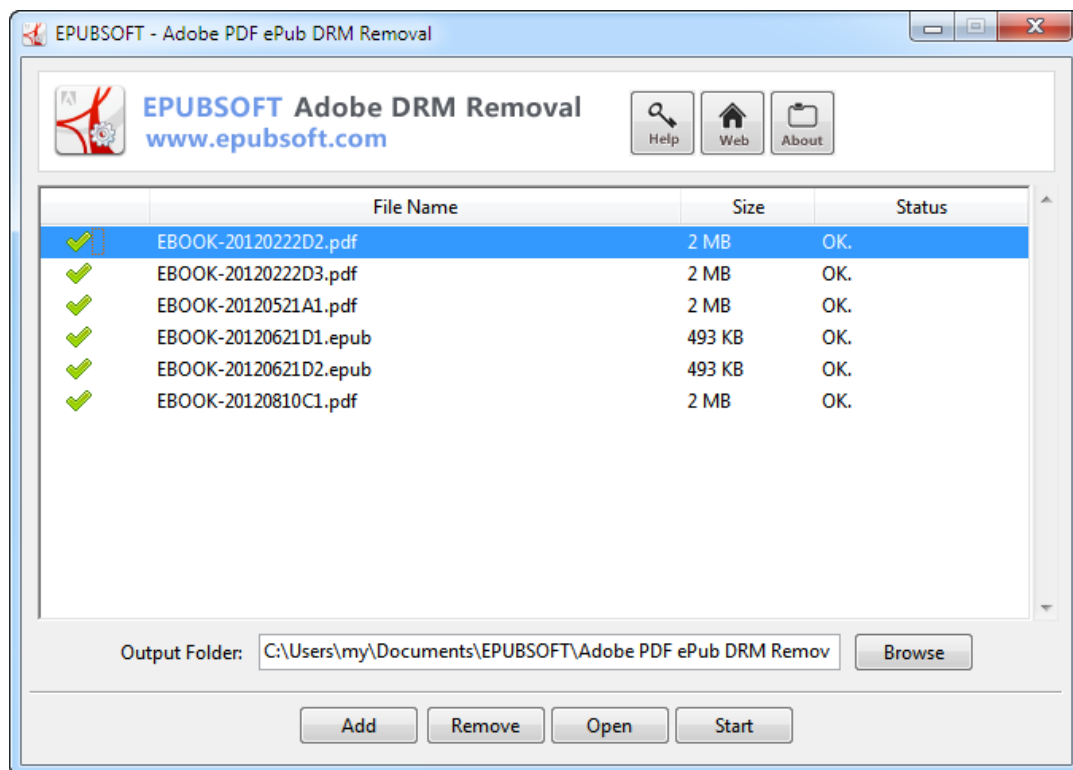

4. Run Adobe PDF ePub DRM Removal, click "Add" button to select ebook file.

Default ebooks download location:

Windows: "My Documents\My Digital Editions"
